The high-quality surfactants in ECOSAN have excellent skin compatibility. ECOSAN in 1000 ml Neptune Bottles and 2000 ml Collapsible Bottles have been awarded the BLUE ANGEL environmental label as well as the EU Ecolabel.

APPLICATION:

Apply ECOSAN evenly on the moistened skin. For normal dirt, a small amount is sufficient. Rinse off with plenty of water and dry hands thoroughly. A proportional bigger amount has to be used in order to clean the entire body.
