

Data sheet	1000510
Dated	26-5-2017

Article number fill in at the yellow field only

Shada art no.	1000510
EAN-Code	8719323782501
Shada brand	LED's Light
Kind of packing	COLOR BOX
Certifications	CE Rohs
Kind of product	LED WALL LAMP
Product description	Aluminium die-casting body PMMA diffuser LED SMD 7.5W 220-240V 50Hz LED brand:Everlight

Product picture

Panel	
Product shape / style	
Size lamp (LxDxH)	110x54x100.5 (mm)
Lamp base	LED
Lifespan	25000 hours
Switch cycles	15000 times
Power consumption	7.5
Lumen	260
Lumen/Watt	80
Equivalent light output	
Color temperature	2700K
Color description	
Rendering index (Ra)	>80
SDCM	
UGR	
Beam angle	100
Energy class	A++
LED type and Brand	Ever light
LED quantity	
Input voltage	220-240V
Input frequency	50/60Hz
Input current	0.038A
Power factor	
Warmup time 95%	
Dimmable	
Kind of dimmer	
Working temperature	-20°C ~ 40°C
Protection	IP54
Safety class	1
Cable type	Brown & Blue - Power Source and Yellow green ground wire
Cable length	
Plug type	
Cable and plug color	
Housing color	matt black
Housing material	Aluminium
Housing surface	
luminous surface color	
luminous surface material	
luminous surface	
Driver	
Input voltage	220-240V
Input frequency	50Hz
Input current	0.038A
Input connection	welding
Output voltage	18V
Output frequency	N/a
Output current	300MA
Output connection	welding
Protection	Over temperature, overload, short circuit

Survival factor after 6000h in %	
Lumen mantainance after 6000h in %	
Premature fail rate after 1000h in %	
Hg %	
Net weight of article(KG)	0,392
Single packing net weight (KG)	0,45
Single packing dimensions (CM)	0.12x0.12x0.055
Master packing dimensions (CM)	0.50x0.26x0.295
Quantity in master carton	40
Gross weight master carton(KG)	19
CBM of master carton	0,022
LVD-Testreport ready/available	yes
LVD-Certificate ready/available	yes
