

Special Cleaner

LOS 2000

LOS 2000 is the optimal solution for clean surfaces. Clears away oil, lubricants, combustion residues, wax, separators, silicone residues, grease and dirt parts cleanly of all metals.

LOS 2000 works fast as lightning and evaporates cleanly. Synthetic material surfaces have to be checked for compatibility first of all.

Application

LOS 2000 is applied evenly on the area to be treated. Taking and disposing of duly bound material with a suitable means.

Technical details:
