

PRODUCT INFORMATION

HEAVY DUTY WIPES

Wet Wipes for Hands for Gentle Removal of Heavy and Adhesive Dirt, Paint and Varnish

PRODUCT PROPERTIES:

- quick and thorough cleansing without water and soap
- non woven wipes, saturated with a highly-effective but gentle cleansing solution
- one roughened side increases the cleansing effect without additional abrasives
- cleansing solution adapted to the natural pH value of the human skin
- perfumed

APPLICATION AREA:

LORDIN® HEAVY DUTY WIPES are used if there is no water available in order to clean or pre-clean hands quickly from heavy and adhesive dirt. The wipes are ideally suitable for mobile application.

APPLICATION:

Rub hands with the wipe and let dry. The slightly abrasive wipe simplifies the removal of stubborn dirt. Close the container tightly after use.

WARNINGS:

Not to be used on peeling or irritated skin. Avoid contact with the eyes. Not to be swallowed. Not to be used for children under 3 years of age.

PACKAGING:

The product is available in:

Cans with 80 wipes

COMPOSITION ACCORDING TO INCI:

AQUA/WATER, PROPYLENE GLYCOL, DIMETHYL GLUTARATE, LAURETH-23, DIMETHYL ADIPATE, DISODIUM LAURETH SULFOSUCCINATE, SODIUM LACTATE, GLYCERIN, HIPPOPHAE RHAMNOIDES FRUIT EXTRACT, SODIUM BENZOATE, LACTIC ACID, POTASSIUM SORBATE, ALCOHOL, LIMONENE, PARFUM/FRAGRANCE

STORAGE:

The product will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. Protect from frost.

The Period After Opening (PAO) is indicated on each container.

Further information on handling the product can be found inside of the Group Data Sheet for skin products (for occupational use).

Our practical advice and various recommendations, which do not imply any warranty on our part for the properties of our products, are based on many years of experience. However, they are not binding, including as regards intellectual property rights of third parties and foreign legislation, and do not excuse our customers from conducting their own tests on our products and methods for fitness for purpose.
