RAPITUFF®

Intensive hand cleanser with ester oil and natural scrubbing agents for the removal of highly adhesive, stubborn dirt, e.g. varnish, resins, adhesives, paint and bitumen

- with skin-compatible solvent
- with biodegradable scrubbing agents made of olive seed powder
- perfumed

PRODUCT PROPERTIES / APPLICATION AREA:

RAPITUFF® is a very strong hand cleanser for the thorough removal of highly adhesive, stubborn dirt, e.g. paint, varnish, resins, bitumen, tar and adhesives. The strong cleansing effect is based on a combination of natural scrubbing agents and di-basic esters, which are solvents with very good skin compatibility.

APPLICATION:

Apply a hazel-nut sized amount of RAPITUFF® on the dry skin and spread the hand cleanser evenly adding a small amount of water. Rinse off with plenty of water and dry hands thoroughly. A proportional bigger amount of hand cleanser has to be used in order to remove heavier dirt.

PRODUCT DESCRIPTION:

Light beige, fluid paste, perfumed, with skin neutral pH value

TEST SUMMARY:

A test summary is available on request.

DERMATOLOGICAL COMPATIBILITY:

RAPITUFF®'s dermatological compatibility has been carefully tested and proven. A printed certificate is available.

PRODUCT QUALITY:

The product is manufactured according to GMP (GOOD MANUFACTURING PRACTICE) requirements. The bacteria count is microbiologically tested on a regular basis and is under 100 bacteria per gram.

FIRST AID:

If RAPITUFF® accidentally gets into your eyes, rinse immediately with plenty of lukewarm water. If a burning sensation still persists, consult an eye doctor as measure of precaution.

STORAGE INSTRUCTIONS:

RAPITUFF® will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each bottle.
